

2. Choose the term of your investment

- Term Deposit rates reflect the gross annual rates we receive from the Authorised Deposit-taking Institution (ADI) and don't take into account fees and taxes that may be deducted on maturity. These rates are published at mine.com.au/pension-term-deposit
- You must hold your Term Deposit until maturity or you may face restrictions and costs, such as a reduced interest rate, fees or refusal of early repayment of capital. This depends on the ADI that's issued the Term Deposit, as each ADI has their own rules. You need to consider whether this is suitable for your investment needs.

Write 'X' in one box only:

I'd like to invest for a term of: Six months One year

3. How much do you want to invest in the Term Deposit?

- The minimum investment amount is \$20,000.
- You must leave a minimum of 15% of your total account balance (calculated at close of business on Thursday on the week of investment) invested in an investment option other than the Term Deposit investment option to pay any fees and charges and to allow for payment of your pension payments.

I'd like to invest (fill in one option only)

% (maximum of 85% of your account balance), or

\$, .

If your nominated dollar amount results in less than 15% of your total account balance being retained in a different investment option, we'll reduce the dollar amount to a level sufficient to cover the 15% requirement.

4. Where do you want your Term Deposit money to come from?

- Only fill in this section if you're invested in **more than one** investment option.
- If you don't make a choice or insufficient funds remain in your chosen investment option, the money will be taken pro-rata across all your investment options. To check how much money you have in each investment option log in to your online account on our website or call us on 13 64 63.
- No money will be deducted from existing Term Deposits.

5. Your declaration

- I've read the Pension PDS at mine.com.au/pension-pds
- I understand the rules that apply to investing in Pension Term Deposit.
- I understand that valid applications received by Mine Super by 5pm on a Thursday when rates have been published for that week will be invested that week. If I don't make this cut off I'll be invested the week Mine Super next has a Term Deposit available.
- I understand that if I've nominated a dollar amount for investment, Mine Super will adjust this amount if I haven't left sufficient funds in another investment option to cover the 15% minimum balance requirement needed to pay for fees, charges and pension payments.
